

# JOHN MICHAEL G. OMPAD

Web Developer, WordPress Developer, IT / Web Support

Email: [lightenrules@gmail.com](mailto:lightenrules@gmail.com)

## PROFESSIONAL SUMMARY

I graduated with a degree in Computer Engineering and have over four years of experience in web development, WordPress development, and web/graphic design. I specialize in maintaining and improving websites, creating responsive layouts, fixing bugs, and supporting digital and marketing needs. I am seeking an on-site or office-based position where my technical skills, reliability, and eagerness to learn can contribute to the company's success.

## TECHNICAL SKILLS

- HTML, CSS, JavaScript, PHP, jQuery
- WordPress, Elementor
- Responsive Web Design, Landing Pages
- Microsoft Excel: Basic (formulas, data entry, sorting)
- Microsoft Word: Foundational (document formatting, templates, track changes)
- Website Maintenance and Optimization
- Adobe Photoshop
- Bug Fixing and Troubleshooting
